INFORMATION DISCLOSURE STATEMENT

Commissioner For Patents  
Washington, DC 20231

Sir:

Pursuant to 37 C.F.R. § 1.97(d), applicant hereby  
submits, for the Examiner's consideration, a declaration by

Richard Fisher, Chairman of the Board of American Energy Group,  
Inc., the assignee of the above-identified application.

In this declaration, Mr. Fisher explains how charges

declaration explains that those charges were likely the result of an irate former employee whose services were terminated by American Energy Group, Inc. Applicant does not believe that the subject matter of the present application has been in public use or on sale as set forth in the Fisher declaration.

This information was not previously set forth in an Information Disclosure Statement inasmuch as applicant was awaiting an entry of judgment in the underlying litigation between American Energy Group, Inc. and a number of individuals, including Mr. Jones. Final judgment has recently been entered on June 30, 2000, and thus the information in connection with the lawsuit as set forth in the Fisher declaration is being submitted shortly after entry of that judgment.

The Examiner is therefore respectfully requested to consider the Fisher declaration.

---

Applicant believes that no fee is required for filing this Information Disclosure Statement. However, if there is a fee required, please charge Deposit Account No. 04-1644.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Keith V. Rockey". The signature is written in a cursive, somewhat stylized font. The "K" is large and prominent, and the "y" has a long, sweeping tail that extends downwards and to the right.
